Re: Claims Against RMJM

Dear Vladimir:

We are pleased to have the opportunity to represent you in connection with your potential individual and class claims against RMJM (the “Company”). This letter sets forth the terms of our firm’s engagement.

As explained to you, our fee for professional services rendered will be calculated based upon a contingency fee equal to thirty three and one third percent (33.33%) of the gross amount of any recovery obtained on your behalf. There is a possibility that you will recover nothing, in which case we will receive no attorneys’ fee from you.

As a courtesy, we have agreed to pay all out-of-pocket expenses up front. However, we will be reimbursed for all out-of-pocket expenses from any recovery obtained on your behalf. In the event that we do not obtain any recovery on your behalf, you will not be liable for any out-of-pocket expenses. Out-of-pocket costs, disbursements and office charges incurred as a result of the engagement, including filing fees, court reporter and transcript fees, expert and consultant fees and expenses, document copying costs, postage, messenger and overnight courier costs, computerized legal research costs, word processing costs, travel costs, parking and other expenses incurred while away from our office on your business. Client approval will be necessary for any expenses in excess of two hundred dollars.
